In autumn of 2007, ETS will introduce a revised GRE General Test that is designed to increase test validity, provide faculty with better information regarding applicants' performance, address security concerns, increase worldwide access to the test, and make better use of advances in technology and psychometric design. Visit the GRE Web site for up-to-date information and sample questions.

The Graduate Record Examinations (GRE) and the GRE Search Service are administered by Educational Testing Service under policies determined by the GRE Board, an independent board affiliated with the Association of Graduate Schools (AGS) and the Council of Graduate Schools (CGS). The GRE Board and Educational Testing Service are dedicated to the principle of equal opportunity, and their programs, services, and employment policies are guided by that principle. If state legislation that affects the GRE tests is enacted and becomes effective during the 2006–07 testing year, testing may be curtailed in the states in which the new laws would apply. GRE scores are not the property of the examinee even though the use, reporting, and cancellation of scores are subject to various rights and restrictions as indicated in this *Bulletin*. The policies and procedures

explained in this *Bulletin* are effective only for the 2006–07 testing year (July 1, 2006, through June 30, 2007) and supersede previous policies and procedures. The fees, terms, and conditions contained in this *Bulletin* are subject to change. See the GRE Web site for the most up-to-date information. Copyright © 2006 by Educational Testing Service. ABOUT THE GRE TESTS

General Test

The General Test is offered as a computer-based test in the U.S., Canada, and many other countries. Paper-based General Test administrations are offered in areas of the world where computer-based testing is not available.

The General Test measures skills that have been developed over a long period of time and are not necessarily related to any particular field of study. The test is composed of analytical writing (AW), verbal (V), and quantitative (Q) sections. Typical testing time is listed below.

Computer-Based General Test

AW: 75-minute section—2 writing tasks:

Present Your Perspective on an Issue—45 minutes

Analyze an Argument—30 minutes

V: 30-minute section—30 questions

Q: 45-minute section—28 questions

Paper-Based General Test

AW: 75-minute section—2 writing tasks:

Present Your Perspective on an Issue—45 minutes

Analyze an Argument—30 minutes

V: two 30-minute sections—38 questions per section

Q: two 30-minute sections—30 questions per section

In addition, an unidentified V or Q section that does not count toward a score may be included. Be sure to do both V or Q sections since you will not know which one will be counted as part of your score. An identified research section that is not scored may also be included in the computer-based General Test.

When you register for the General Test, you will be sent free test preparation material that describes the test in more detail and provides information to help you understand the scores you earn. This free material is also available in the Test Takers download library on the GRE Web site at www.ets.org/gre.

Subject Tests

The Subject Tests are paper-based tests in 8 subject areas. Subject Tests measure achievement in specific subject areas and assume undergraduate majors or extensive background in those disciplines. Testing time is 2 hours and 50 minutes.

Brief descriptions of the Subject Tests follow. When you register, you will be sent a free practice book that includes content topics covered in the test and detailed test specifications, a full-length test and answer key, and information to help you understand the scores you earn. This free material is also available in the Test Takers download library on the GRE Web site at www.ets.org/gre.

B22—BIOCHEMISTRY, CELL AND MOLECULAR BIOLOGY

The test consists of approximately 180 questions and is intended for students who are interested in graduate programs in biochemistry, cell biology, and molecular biology, along with related programs such as microbiology and genetics. The questions are distributed among 3 subscore areas: Biochemistry (36%), Cell Biology (28%), and Molecular Biology and Genetics (36%).

B24—BIOLOGY

The test consists of approximately 200 questions that are about equally divided among 3 subscore areas: Cellular and Molecular Biology, Organismal Biology, and Ecology and Evolution.

C27—CHEMISTRY

The test consists of approximately 130 questions designed to cover much of the content of the chemistry courses completed by students before the middle of the senior collegiate year. The questions are

classified approximately as follows: analytical chemistry (15%), inorganic chemistry (25%), organic chemistry (30%), and physical chemistry (30%).

C29—COMPUTER SCIENCE

The test consists of approximately 70 questions and is intended for students who plan to seek a graduate degree in computer science and who have taken courses in computer science at least to the level of an undergraduate major in computer science. The questions are classified approximately as follows: software systems and methodology (40%), computer organization and architecture (15%), theory and mathematical background (40%), and other topics, such as artificial intelligence, cryptography, and social issues (5%).

L64—LITERATURE IN ENGLISH

The test consists of approximately 230 questions on literature in English from the British Isles, the United States, and other countries. It also contains a few questions on major works, including the Bible, in translation. Factual questions test a student's knowledge of writers typically studied in college courses. Interpretive questions test a student's ability to read passages of poetry, drama, fiction, and nonfiction prose perceptively; such questions may address meaning, use of language, form and structure, literary techniques, and various aspects of style. The questions are classified as follows: literary analysis (40–55%); identification (15–20%); cultural and historical contexts (20–25%); history and theory of literary criticism (10–15%). In addition, the literary-historical scope of the test is as follows: continental, classical, and comparative literature through 1925 (5–10%); British literature to 1660, including Milton (25–30%); British literature 1660–1925 (25–35%); American literature through 1925 (15–25%); American, British, and World literature after 1925 (20–30%).

M68—MATHEMATICS (RESCALED)

The test consists of approximately 66 questions and is intended to measure both the knowledge of the content of undergraduate mathematics courses for mathematics majors and the mathematical abilities traditionally expected of those who intend to seek a graduate degree in mathematics. In addition to the usual sequence of elementary calculus courses, the examinee should have had mathematics-major courses in abstract algebra, linear algebra, and real analysis that require students to demonstrate the ability to prove theorems and create counterexamples. The questions are classified approximately as follows: calculus (50%), algebra (25%), and other topics (25%).

P77—PHYSICS

The test consists of approximately 100 questions, most of which relate to the first 3 years of undergraduate physics. Topics include classical mechanics (20%), electromagnetism (18%), atomic physics (10%), optics and wave phenomena (9%), quantum mechanics (12%), thermodynamics and statistical mechanics (10%), special relativity (6%), and laboratory methods (6%). The remaining 9% of the test covers advanced topics such as nuclear and particle physics, condensed matter physics, and astrophysics.

P81—PSYCHOLOGY

The test consists of approximately 205 questions drawn from courses most commonly offered at the undergraduate level. Most of the questions are distributed between 2 subscore areas: Experimental Psychology (40%) and Social Psychology (43%); the remaining 17% test other topics, such as measurement and methodology. The test's total score includes the questions in all 3 categories.

Paper-Based Test Registration

MONDAY TESTING

Monday testing will be arranged only for those whose religious convictions prevent them from testing on Saturday. Mail your registration form, fees, and letter—signed by your cleric on letterhead stationery—confirming your affiliation with a recognized religious body that observes its Sabbath on Saturday. Your request must be received by the special registration deadline on the back cover. Leave the code number blank on your registration form, but indicate the city and state where you wish to test. You will be assigned to the closest available center within 125 miles for locations that are scheduled for Saturday test dates. No standby testing is permitted.

REGISTRATION INFORMATION *(continued)*

SUPPLEMENTARY TEST CENTERS

If you are more than 125 miles from the nearest center scheduled to give the paper-based General Test on October 28, 2006, or the Subject Tests on November 4, 2006, you may request a supplementary center. Your request must (1) accompany your completed registration form and fees; (2) be received by the special registration deadline on the back cover; (3) include the name and complete address of an institution and staff member willing to administer the test; (4) indicate if you would prefer another test date or a refund since centers cannot be guaranteed; and (5) explain why the available test centers are not suitable.

CHANGING YOUR TEST CENTER OR SUBJECT TEST

Fee: \$40 each

If you wish to change your center or the Subject Test for which you have registered, call the GRE Program by the registration deadline listed on the back cover of this *Bulletin*. Center changes cannot be guaranteed but will be made as space permits. You can also report to the preferred test center on the test day with your original admission ticket and if the center can accommodate you, and the test you need is available, there is no additional charge.

STANDBY TESTING

Fee: \$35 in addition to test fee

Standby testing may be available if sufficient space, test materials, and staff are available at the test center; it is not available for nonstandard or Monday testing. Report to the test center by 8:15 a.m. with a completed registration form, payment, and acceptable photo ID.

Rescheduling or Canceling a Test Appointment

Testing fees and registrations are not exchangeable between paper-based tests and computer-based tests.

COMPUTER-BASED TESTING

You must reschedule or cancel your test no later than 3 full days before your appointment (not including the day of your test or the day of your request) or your test fee will be forfeited. Example: The deadline to reschedule a Friday appointment is Monday. Reschedule or cancel your appointment online at www.prometric.com or by

calling 1-800-GRE-CALL or the appropriate Regional Registration Center (RRC). Appointments cannot be rescheduled between test sites served by different RRCs. The fee for rescheduling the date, time, or location of your appointment is US\$40. See "Test Fee Refunds" below.

PAPER-BASED TESTING

You must reschedule or cancel your test no later than 3 full days before your appointment (not including the day of your test or the day of your request) or your test fee will be forfeited. Example: The deadline to reschedule a Saturday appointment is Tuesday. Call or write to the GRE Program with your name, date of birth, address, registration number, test date, preferred test center, and new test date. If canceling, you may also download and mail the refund request form from the GRE Web site. See refund information below. Mailed requests must be received no later than 3 full days prior to your scheduled test date. The rescheduling fee is US\$40. You cannot transfer to the next testing year.

Test Fee Refunds

If you cancel your General Test or Subject Test no later than 3 full days prior to your test date, you will receive a \$60 refund. Refunds for the CBT General Test are automatically issued approximately 10 days after the canceled test date. Refunds for the paper-based General and Subject Tests are issued within 6-8 weeks after the canceled test date. Refunds will not be given if you do not follow proper registration procedures and/or fail to present the required identification documents at the test center.

Repeater Policy

You may take the General Test (computer-based and/or paper-based) *only once per calendar month*, and no more than *5 times* within any 12-month period. This applies even if you canceled your scores on a test taken previously. You may take the Subject Tests as often as they are offered.

Note: The repeater policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation.

ON THE TEST DAY

Identification (ID) Requirements

FOR COMPUTER-BASED AND PAPER-BASED TESTS

All test takers **must read Part 1**. Depending on whether you will be testing within your country of citizenship or outside of it, see **Part 2** or **Part 3** for information on acceptable and valid ID. Your ID requirement depends upon the country of your citizenship and the country in which you plan to take the test.

All test takers in Bangladesh, India, and Pakistan MUST use valid passports as their ID documents.

PART 1: Information for ALL Test Takers

- ▶ You must have acceptable and valid ID with signature and photo to be admitted to a test center. ID requirements are strictly enforced. It is your responsibility to read and understand the instructions and requirements.

- ▶ If you arrive at the test center without the required identification, the test center administrator will not admit you, you cannot test, and you will forfeit your test fee.
- ▶ **When scheduling your appointment, you must use exactly the same name as shown on the primary identification document that you will present at the test center. If the name shown on your primary identification does not match the name on your appointment record, you will not be permitted to test.**
- ▶ Only misspellings of your name can be corrected at check-in—**NAME CHANGES WILL NOT BE MADE.** If your name has changed for any reason, including marriage, you still must present primary identification in the name under which you made the appointment, or you will not be permitted to test.
- ▶ If the test center administrator questions the ID you present, you will be required to present additional proof of identity. If positive confirmation cannot be made, you may be refused admission to the test center and you will forfeit your test fee.

ON THE TEST DAY (continued)

- ▶ Test center personnel will check your identification before assigning you a seat at the test center. The administrator will check to verify that you are the person in your photo identification. The administrator will repeat this procedure before and after all breaks.
- ▶ Admittance to the test center does not imply that your form of identification is valid or that your scores will be reported. All reported cases of questionable identification are subject to review and approval by the ETS Office of Testing Integrity.

Acceptable Primary Identification Documents

- ▶ Passport with photo and signature
- ▶ Driver's license with photo and signature
- ▶ State ID issued by motor vehicle agency with photo and signature
- ▶ National ID with photo and signature
- ▶ Military ID with photo and signature

Acceptable Supplemental Identification Documents

If your primary identification is missing either a photo or a signature, you must present one of the following *supplemental IDs* in addition to your primary ID. Supplemental IDs that can be used to meet the photo and/or signature requirements are:

- ▶ **A government-issued identification document** that has not expired (including but not limited to passport, driver's license, state ID cards, national identification, or military identification). There are some exceptions: see *Unacceptable Identification Documents*.
- ▶ **Student ID**
- ▶ **Confirmation of identity letter** from your educational institution
The letter must contain your date of birth; a recent, recognizable photo; your signature; and the date issued.
It must be typed on the original letterhead of the educational institution you attend(ed), and the signature of the school official and the school seal must overlap your photo. A letter of identity is valid for only one year after the date issued.

Unacceptable Identification Documents

- ▶ Any expired ID
- ▶ Draft classification card
- ▶ Credit card of any kind
- ▶ Social Security card
- ▶ Learner's permit or any temporary identification document (e.g., driver's license)
- ▶ Photocopy of ID
- ▶ International driver's license
- ▶ International student ID
- ▶ Notary-prepared letter or document
- ▶ Employee ID card

If You Cannot Meet the Specified ID Requirements or if You Have Questions About ID, you must contact the **ETS Office of Testing Integrity (1-609-406-5430, fax: 1-609-406-9709, or e-mail: TSReturns@ets.org)** before you schedule an appointment to test. If you do not contact the ETS Office of Testing Integrity prior to your scheduled appointment and are not admitted to the test, you will forfeit your test fee.

PART 2: ID for Testing WITHIN Your Country of Citizenship

Only one form of primary ID is needed if your primary ID document contains a photo and signature. See the list of acceptable primary ID documents. If the test administrator has any concerns with the primary ID document, you will be required to present a supplemental ID from the list above.

If your primary ID does not contain your signature, you must either sign the document or present an additional ID from the list of *supplemental identification documents*. The supplemental ID must contain a recent, recognizable photo and your signature, and cannot be expired.

PART 3: ID for Testing OUTSIDE Your Country of Citizenship

You MUST PRESENT YOUR PASSPORT as your *primary identification document* (citizens of European and Schengen Zone countries see special requirements below). If you do not meet this requirement, ETS may automatically cancel your test scores.

If your passport is **not written in English language letters**, you must also present an additional ID from the list of *supplemental identification documents* (see **Part 1**) that contains a recent, recognizable photo and is in English.

If your passport does not contain your signature, you must either sign your passport or present an additional ID from the list of *supplemental identification documents*.

U.S. military personnel may present their U.S. military ID cards for admission to test centers. If a military ID card does not contain a signature, a supplemental ID is required.

European Union/Schengen Zone Countries

If you are taking the test within a European Union or Schengen Zone Country, you may use your valid national or European identity card if you have one. The card you present must contain a recent, recognizable **photo**; your **date of birth**; and your **signature**. If your form of ID is not in English language letters and the test administrator cannot read the language in which it is written, you may not be allowed to test. If your official ID does not contain **your signature**, you must present an additional document from the list of *supplemental identification documents* (see **Part 1**) that does contain your signature.

Test Center Procedures and Regulations

FOR BOTH COMPUTER-BASED AND PAPER-BASED TESTS

On Test Day

- ▶ Dress so that you can adapt to any room temperature.
- ▶ Test centers do not have large waiting areas. Friends or relatives who accompany you to the test center will not be permitted to wait in the test center or be in contact with you while you are taking the test. Except for ETS-authorized observers, visitors are not allowed in the testing room while testing is in progress.
- ▶ ID verification at the test center may include thumbprinting, photographing, videotaping, or other form of electronic ID confirmation. If you refuse to participate, you will not be permitted to test and you will forfeit your test fee. This is in addition to the requirement that you must present acceptable and valid identification.
- ▶ Other than ID, personal items are not allowed in the testing room. Before the test, you will be assigned a locker or receive instructions from test center staff regarding where you must deposit items such as cell phones, pagers, PDAs, BlackBerry™ devices, handbags, and study materials. (Cell phones are not permitted on the writing surface.) You may also be asked to empty your pockets. Storage space is limited, so plan accordingly. You may not have access to your personal items during the test or break.
- ▶ Test centers assume no responsibility for candidates' personal belongings.
- ▶ The test administrator will assign you a seat.
- ▶ On occasion, weather conditions or other circumstances beyond the test administrator's or ETS's control may require a delayed start or the rescheduling of your test appointment. In the event that a technical problem at the test center makes it necessary to cancel your test session, or if it is later determined that your scores could not be reported, you will be offered the opportunity to schedule another test appointment free of charge or receive a full refund of the original test fee. In addition, you may seek reimbursement from ETS for reasonable and documented expenses associated with

ON THE TEST DAY (continued)

traveling to the test center, even though technical problems are generally not the fault of ETS. To request reimbursement, contact ETS with the following information within 30 days of your original appointment: your name, date of birth, mailing address, daytime telephone number, e-mail address, original test date and registration or CBT appointment number, and a brief description of what occurred at the test center. All reimbursements will be made in U.S. dollars.

FOR COMPUTER-BASED TESTS ONLY

The following procedures and regulations apply during the entire test session, which begins at sign-in, ends at sign-out, and includes breaks.

- ▶ If you requested and received an authorization voucher from ETS, you must take it with you to the test center.
- ▶ You will be required to write (not print) and sign a confidentiality statement at the test center. If you do not complete and sign the statement, you cannot test and your fees will NOT be refunded.
- ▶ You will be required to sign the test center log before and after the test session and any time you leave or enter the testing room.
- ▶ The test administrator will provide you with scratch paper that may be replaced after you have used all pages of the scratch paper initially given to you. You may not take your own scratch paper to the test, nor may you remove scratch paper from the testing room at any time. Scratch paper is provided to assist test takers in working out problems and for appropriate note taking during timed sections of the test. Scratch paper should NOT be used during untimed sections or during breaks.
- ▶ If you need to leave your seat at any time other than the break, raise your hand; timing of the section will not stop.
- ▶ If at any time during the test you have a problem with your computer, or for any reason need the administrator, raise your hand.
- ▶ Testing premises are subject to videotaping.
- ▶ The GRE General Test includes an optional 10-minute break after the analytical writing section. This break time cannot be exceeded.
- ▶ The maximum time allotted for the tutorial and/or other untimed sections prior to the test is 30 minutes. The purpose of the tutorial and/or other untimed sections prior to the test is to become familiar with the computer functions and other important information that will make your computer-based test experience as convenient as possible. The time you spend on the tutorial and/or other untimed sections should not be used for any other purpose. You may not use scratch paper during this time. Infractions will be reported to ETS, and the test administrator is authorized to dismiss you from the test administration if you fail to follow the test administrator's directions.

FOR PAPER-BASED TESTS ONLY

The following procedures and regulations apply during the entire test session, which begins when you are admitted to the test center, ends when you leave the test center, and includes breaks.

- ▶ Test administrators will not honor requests for schedule changes.
- ▶ Take your admission ticket and photo ID to the test center.
- ▶ Take 3 or 4 sharpened soft-lead (No. 2 or HB) pencils and a good eraser. Pencils and erasers will not be supplied at the center. Mechanical pencils and pens are not permitted.
- ▶ No test taker will be admitted after test materials have been distributed.
- ▶ Paper of any kind is not permitted in the testing room.
- ▶ You must have the test administrator's permission to leave the room during the test. Any time lost cannot be made up.
- ▶ You may wish to pace yourself with your own watch, but the test administrator is the official timekeeper. You will not be permitted

to continue the test or any part of it beyond the established time limit. *Watch alarms and clocks on cell phones are not permitted.*

- ▶ Cell phones must be turned off and are not permitted on the writing surface.
- ▶ Answers to multiple-choice questions recorded in the test book will not be scored. You may use the test book to work out your answers, but you must mark *all* your answers on the separate answer sheet before time is called.
- ▶ At the conclusion of the test you will be required to return your test book and answer sheet to the test administrator. These materials are the property of ETS.
- ▶ The General Test includes a 10-minute break after the analytical writing section.

Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact us as soon as possible to report any observed behavior that may lead to an invalid score—for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids. All information will be held in strictest confidence.

- ▶ attempting to take the test for someone else or having someone else take the test for you
- ▶ failing to provide acceptable identification
- ▶ obtaining improper access to the test, a part of the test, or information about the test
- ▶ using a telephone or cellular phone during the test session or during breaks
- ▶ using any aids in connection with the test, such as: mechanical pencils, pens, pagers, beepers, calculators, watch calculators, books, pamphlets, notes, rulers, highlighter pens, stereos or radios with headphones, telephones, cell phones, watch alarms (including those with flashing lights or alarm sounds), stop watches, dictionaries, translators, and any hand-held electronic or photographic devices

- ▶ bringing a weapon or firearm into the test center
- ▶ bringing food, drink, or tobacco into the testing room
- ▶ leaving the test center vicinity during the test session or during breaks

ON THE TEST DAY *(continued)*

- ▶ referring to, looking through, or working on any test, or test section, *when not authorized to do so*, or working after time has been called
- ▶ failing to follow any of the test administration regulations contained in this *Bulletin*, given by the test administrator or specified in any test materials

ETS reserves the right to take all action—including, but not limited to, barring you from future testing and/or canceling your scores—for failure to comply with test administration regulations or the test administrator's directions. If your scores are canceled, they will not be reported, and your fees will not be refunded.

Canceling Scores

At the end of the test, you will have the option to cancel your scores. Canceled scores cannot be reinstated. No refunds. If you have previously identified institutions to receive your scores, these institutions will not receive any information about your canceled scores or about any previous scores you may have on file.

SCORES & SCORE REPORTS

Reporting Your Test Scores

COMPUTER-BASED GENERAL TEST

You will view unofficial verbal and quantitative scores at the test center; however, because of the essay scoring process, you will not view your analytical writing score at that time. Test centers cannot provide printed copies of score reports. Official verbal, quantitative, and analytical writing scores will be sent to you and score recipients within 10 to 15 days after you take the test. To obtain scores by phone, see page 5.

At the testing center, you may request that scores be sent to as many as 4 graduate institutions or fellowships at no additional charge. If you do not select institutions on the test day, you must pay \$15 per institution to have scores sent at a later date. If an institution is not listed, ask the test center administrator for the appropriate form to indicate unlisted institutions. Complete the form and turn it in *before* you leave the test center. The form will not be accepted after you leave the test center.

PAPER-BASED GENERAL TEST OR SUBJECT TESTS

Within 4 to 6 weeks after you take the test, score reports are mailed to you and up to 4 institutions designated at the time of registration or on the admission ticket correction stub. If you do not select institutions on your registration form or admission ticket correction stub, you will be required to pay \$15 per institution to have scores sent at a later date. See the back cover of this *Bulletin* for approximate score report mailing dates. To obtain scores by phone, see page 5.

ADDITIONAL SCORE REPORTS (ASRs)

Fee: \$15 each

Additional score reports can be ordered by phone, fax, or mail, up to 5 years following your test date. For fax or mail, see the ASR form in the center of this *Bulletin* or download from the Web site. Changes cannot be made and requests cannot be canceled after the form is mailed or faxed.

If you do not have an ASR form, send your payment with a written request including your full name as it appeared on your score report, current name and address, date of birth, Social Security number, and most recent test date.

Analytical Writing Measure Score Review

Fee: \$45

Test takers may request a review of their analytical writing section up to 6 months after the administration. Submit the fee with your written request; include your full name, date of birth, test date, registration number, address, and phone number. Mail the request to the "General Inquiries" address on page 5. If the score review process results in a higher or lower score, the new score will be reported.

Paper-Based Test Hand Scoring

Fee: \$30

Hand scoring for a Subject Test or the verbal and quantitative sections of the paper-based General Test is available up to 6 months after the administration. Submit the fee with your written request; include your full name, date of birth, test date, registration number, address, and phone number. Mail the request to the "General Inquiries" address on page 5. If your scores increase or decrease, the new score(s) will be reported.

Cumulative Reporting

GRE score reporting is cumulative. Current GRE Board policy states that your scores are reportable for 5 years. Your scores are retained for the 5 testing years following the testing year in which you tested. All scores earned during this time will be reported to each institution you designate. You may choose to send only General Test scores, only Subject Test scores, only Analytical Writing or Writing Assessment scores, or any combination of the above, but you may not choose to have only those scores from a specific test date reported. Your score report will indicate your designated recipients and your cumulative record reported at that time. However, your designated recipients will not receive information concerning the other score recipients you have chosen.

Absence from a Paper-Based Test

Institutions will not receive any information about your absence or about any previous scores you may have on file.

Preventing Unauthorized Release of Your Scores

It is a GRE Board policy that your scores be reported only to you, to accredited institutions of higher education granting the baccalaureate or higher degrees, and to approved graduate fellowship-granting sponsors. Score reports will be released only upon your request. ETS will not release your scores at the request of institutions or fellowship sponsors except for use in research studies that are approved by the GRE Board and that provide anonymity for the test takers and the institutions they attend.

Note: Your score record and the documents you completed that are retained at ETS may be released to third parties, e.g., government agencies, parties to a lawsuit, if requested pursuant to a subpoena or required by applicable law.

Question-and-Answer Review Service

CBT VERBAL AND QUANTITATIVE SECTIONS

Fee: \$50

This service allows you to review the verbal and quantitative test questions that you answered incorrectly on your computer-based General Test. The questions are presented with your answers and the correct answers. The service is available to individuals who test in the U.S., U.S. territories, or Puerto Rico during one of the 8 weeks listed below. Review sessions will be available at CBT test centers approximately 30 days after the test date, and for up to 60 days thereafter.

July 9–15, 2006	Dec. 10–16, 2006
Sept. 10–16, 2006	Jan. 14–20, 2007
Oct. 8–14, 2006	April 8–14, 2007
Nov. 12–18, 2006	May 13–19, 2007

You may make an appointment 3 days after you take your General Test. Plan to be at the test center up to 1½ hours. To reschedule, contact the center no later than 3 full days before your appointment. The rescheduling fee is \$40 and there are no refunds for this service.

Test Takers' Performance Data

Test takers' performance data may be used in analysis samples, score interpretation data, group statistics, and research studies. Test takers' essay responses may be used in ETS materials to train scorers, to help score recipients interpret scores, or to help examinees prepare for the test. In each instance, all identifying information will be removed.

ETS Review of Test Questions

ETS routinely follows extensive review and quality control procedures to detect and avoid flawed questions and consequent errors in scoring. Such procedures include independent reviews by qualified individuals, pretesting questions for the General Test, feedback from test takers after they have taken a GRE test, and careful analysis of performance data on each question after it has been administered in a GRE test.

Nonetheless, occasionally an error may be discovered after scores have been reported. Whenever this happens, the specific circumstances are reviewed carefully, and a decision is made about how best to take corrective action that is the most fair to all concerned.

Cancellation of Scores by ETS

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS's standards and procedures for administering tests have 2 primary goals: giving test takers equivalent opportunities to demonstrate their abilities, and preventing any test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score when, in ETS's judgment, a **testing irregularity occurs**, there is an apparent **discrepancy in a test taker's identification**, the test taker engages in **misconduct** or **plagiarism**, or the score is **invalid** for another reason. Reviews of scores by ETS are confidential. When, for any of the above reasons, ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled, but it does not disclose the reason for cancellation except when authorized to do so by the test taker, and in certain group cases.

Testing Irregularities

"Testing irregularities" refers to problems with the administration of a test. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials, and defective equipment); improper access to test content; and other disruptions of test administrations (such as natural disasters or other emergencies). When testing irregularities occur, ETS may decline to score the test, or cancel the test score.

When, in ETS's judgment it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible without charge.

Identification Discrepancies

When, in ETS's judgment, or the judgment of test center personnel, there is a discrepancy in a test taker's identification, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test or cancel the test score.

Misconduct

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center, or ETS may decline to score the test, or cancel the test score. Misconduct includes, but is not limited to, noncompliance with the "Test Center Procedures and Regulations", pages 8–10 of this *Bulletin*.

Test takers whose scores are canceled will forfeit their test fees and must pay to take the entire GRE General Test again at a future administration. No record of score cancellations, or the reason for cancellation, will appear on their future score reports sent to colleges and universities.

Invalid Scores

Your essay responses on the analytical writing section will be reviewed by ETS essay-similarity-detection software and by experienced essay readers during the scoring process. In light of the high value placed on independent intellectual activity within United States graduate schools and universities, ETS reserves the right to cancel test scores of any test taker when there is substantial evidence that an essay response includes, but is not limited to, any of the following:

- ▶ text that is similar to that found in one or more other GRE essay responses;
- ▶ quoting or paraphrasing, without attribution, or language that appears in published or unpublished sources;
- ▶ unacknowledged use of work that has been produced through collaboration with others without citation of the contribution of others;
- ▶ essays that are submitted as work of the examinee when the words have, in fact, been borrowed from elsewhere or prepared by another person.

When one or more of the above circumstances occurs, your essay text, in ETS's professional judgment, does not reflect the independent writing skills that this test seeks to measure. Therefore, ETS must cancel the essay score as invalid and cannot report the GRE General Test scores of which the essay score is an indispensable part.

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Evidence of invalid scores may include, without limitation, discrepant handwriting, unusual answer patterns, and inconsistent performance on different parts of the test. Before canceling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS's concerns, considers any such information submitted, and offers the test taker a choice of options. The options include voluntary score cancellation, a free retest, or arbitration in accordance with ETS's standard Arbitration Agreement. In addition, the test taker is sent a copy of a booklet, *Why and How Educational Testing Service Questions Test Scores*, which explains this process in greater detail. (This booklet is available to any test taker at any time on request.)

SCORES & SCORE REPORTS *(continued)*

When essay scores are canceled because an essay is unusually similar to other test takers' essays, or because the essay contains unattributed material, only the retest score is reported for the essay; the questioned essay score is not released.

Note: For paper-based testing, the retest option is available only to test takers in the United States and Canada. The arbitration option is available only for tests administered in the United States.

Test Fairness and Score Use

ETS and the GRE Program have taken steps to ensure, to the extent possible, that tests and test scores are fair for all test takers, regardless of group membership. In addition, the GRE Board has developed guidelines for the use of GRE scores, which summarize the considerations for appropriate use of the scores and encourage institutions to use GRE scores appropriately. For information about test fairness and appropriate use of GRE scores, visit the Educators section of the GRE Web site at www.ets.org/gre or contact the GRE Program.

ADDITIONAL SCORE REPORT REQUEST FORM

ETS will make every effort to process your Additional Score Report Request Form and mail paper score reports to institutions within 10 working days after receipt. However, GRE score recipients may elect to receive scores in one or more of the following forms: disk, tape, or SCORELINK™. GRE scores reported on disk or tape are sent to institutions approximately twice a month.

If you are in a hurry, call our Phone Service for Additional Score Reports (ASRs) at 1-888-GRE-SCORE (see page 5). Phone service ASRs are processed within 5 business days. Your payment must be by credit card (American Express, Discover, JCB, MasterCard, or VISA).

Keep a record of the names and code numbers of designated score recipients. Once a request for additional score reporting has been mailed or faxed, the request cannot be canceled or changed.

If you only want to obtain another copy of your score report for yourself, complete the form, check the appropriate box under the "Test Taker Copy Only" section, and submit your request with the \$15 fee or complete credit card information. Only one copy may be requested.

The GRE Program will **not** honor a telephone call (except through the Phone Service for Additional Score Reports), e-mail, telegram, or mailgram request to send score reports. Faxed requests will be honored if payment is made by American Express, Discover, JCB, MasterCard, or VISA. The credit card number and expiration date must be indicated on the request.
